Lead Type Performance

What are the different Lead types?

Sales Lead: (Billable) Someone we've chatted with where we've obtained the visitor's name and contact information (phone number and/or email address), what the visitor is looking for is offered by the business, and the visitor falls within the businesses geographic coverage area. This lead type is billable.

Service Lead: (Non-Billable) An existing client of the business - they may be trying to reschedule an appointment or get in touch with their account manager, etc. This lead type is non-billable.

Other Lead: (Non-Billable) Someone who's outside of the geographic coverage area, someone looking for a service the business doesn't offer, looking for a job, etc. This lead type is non-billable.
